HOLIDAY PARKING SAFETY TIPS

- **REMEMBER WHERE YOU ARE.** Don't forget where you parked your car. Write down which department store or mall entrance is closest to your car. When leaving the mall, do so through the exit nearest to where you parked.
- **DON'T TEMPT THIEVES.** Avoid leaving packages on the car seat or elsewhere in plain sight. Lock your car when you leave it, even if only for a short time. Engage your car security system if you have one.
- **THERE'S SAFETY IN NUMBERS.** Whenever possible, shop with someone else. Be alert to anything that looks unusual under your car. Glance in the back seat before getting into your car. As you leave the building, walk with someone else and carry your keys in your hand.
- **PROTECT YOURSELF.** Always be alert, as you should be in any place that's open to the public. Don't hesitate to ask a security officer for help or for an escort to your car. Don't flash large amounts of cash or deposit bags. Don't park next to a van in which people can hide.
