### MEMORIAL CITY IS GLOWING WITH NEW BLOW DRY BAR & MAKEUP LOUNGE BRUSH & BLUSH BLOW DRY BAR NOW OPEN AT GATEWAY MEMORIAL CITY

HOUSTON (July 10, 2014) – Brush & Blush Blow Dry Bar recently opened at the new Gateway Memorial City, located at 947 Gessner and I-10, with one goal in mind – to offer the ultimate beauty experience.

Founded by local husband and wife team, Brandon and Greer McDonald, Brush & Blush is a 2,000-square-foot salon and make-up lounge that features the latest in technology and design. When designing the space, Greer, along with Mallory Gaylor of mohledesigninc., chose modern decor such as haute chrome and glass pendant light fixtures, top-of-the-line couture wood grain metallic wallpaper and herringbone wood floors. Crisp white and lavender walls provide a perfect complement to the quartz composite marble countertops.

“The ambiance reflects how we want our clients to feel when visiting Brush & Blush – tranquil and beautiful,” explained owner, Greer McDonald. “The goal is to offer our clients fresh from the salon looks but with everyday convenience.”

The salon features twelve blow dry stations and four sinks with built-in massage chairs. The “Brush” menu includes a variety of effortless blowouts and hair styling services, including signature blowouts, up-dos and braids. Unlike most other blow dry bars in Houston, Brush & Blush offers Brazilian Blowout professional smoothing treatments in the boutique salon and will touch up a customer’s ‘do should the Houston humidity take over.
